800 Hour Program in Massage Therapy. Our specialty program, a unique blend of Swedish Massage and Acupressure.

We take your through the important standards of Anatomy, Physiology, Business, and Ethics required for State Licensing. The rest of the program is geared towards making you one of the best hands-on massage therapists in the field. Not only will you go through your own healing journey, learning fascinating things about your own health and life path, you will learn how to guide others along this same journey using the Healing Art of Touch through massage as your medium of choice.
